

# DUAL A-BIN™ STATION

MADE IN THE USA

*Exceptional Value! This 68 gallon station combines Single Stream Recycling along with Compost or Trash collection.*

- Durable coated finished wood base station with rigid PVC corners assures organization and stability.
- Includes color matched decals that designate your desired recyclables, along with trash or compost for the brown bin.
- Angled top lid eliminates any concern of build up of unwanted debris.
- Aluminum framed access points withstand high volume usage without wear and tear.
- Bag locks secure liners which are set to remain hidden for a clean appearance.
- The lid secures in place with a tight fit and durable inside mounted velcro
- Save on fuel, freight, and storage - ships flat and is easy to assemble.
- The base station ships fully assembled in one carton with the bins.
