

COMPOST or TRASH A-BIN™ MADE IN THE USA

Make your facility's collection program complete with the trash or compost A-Bin™. By keeping a trash or compost bin close in proximity to your recycling containers, your facility will minimize incorrect disposal and maximize effective collection. Distinguish your bin's particular collection by using color-matching labels that are included with every A-Bin™ purchase. Save money with a product that is not only attractive, but also built to last!
